St Andrew's is committed to keeping students safe online. We have various safety measures in place that are there to protect students and give them positive experiences when using the internet.

Whilst I am a student at St Andrew's and using the internet

I will

- Publish or share anything which may cause harm or offence to another person, or engage in online bullying or harassment
- report any inappropriate materials or messages online that make me feel upset, unhappy or frightened
- follow the school rules and only use my mobile phone, tablet, laptop or other devices outside of lesson time and at times allowed in the school rules
- be polite and kind when I communicate with others online

I will not

- do anything online that compromises my safety, the safety of others or of the school's systems
- share my personal details online
- access inappropriate material online. This includes pornography, extremist content or content that promotes intolerance, or films or games that are unsuitable for my age
- download films, tv shows, games or music from illegal sites such as Pirate bay
- download software or materials onto school computers
- take, send or share pictures on social media of anyone without their permission

I understand that

- the school will monitor my online behaviour
- if I break the rules, I may be disciplined and if it is serious, I may be sent home

I understand the importance of this agreement and I will follow it during my stay at St Andrew's
