1.2 A student's place on a course and in accommodation is not confirmed until the college has received the £2000 deposit. If the student does not start the course this deposit is non-refundable. The £2000 deposit is deducted from the balance of first term's fees.

1.3 St. Andrew's College reserves the right to alter or cancel the course programme and alter dates and fees from those stated in the brochure and on the website.

1.4 Students/ agents/ parents should disclose any relevant medical information and details of disabilities, learning difficulties and any mental health issues to the college at the time of application. Failure to disclose information about medical conditions or special educational needs at the time of registration may result in additional charges for accessing services such as Counselling or support for Special Educational Needs. All students must complete a medical form at the time of registration.

1.5 St Andrew's College is inspected by ISI and UKVI. As a student of the college, you consent to the disclosure of your information to the inspecting bodies in line with GDPR.

2 Photos and videos

2.1 St Andrew's college will take photos from time to time for use in publicity and on social media. This will include graduation photos. Students will be informed before photos are taken and can chose not to feature by telling our staff. You will be asked during registration to complete a consent form for photography.

3 Students under the age of 18

3.1 Students under the age of 18 are children in British law. All under 18s are expected to abide by UK laws, which relate to the restriction of activities under 18s; in particular the purchase of alcohol and tobacco.

3.2 St. Andrew's College will accept students aged 15 when these students are on a Pre-A Level or GCSE programme. These students must live in a college Hall of Residence and so can only be accepted if hall accommodation is available.

Terms & Conditions

4 Sponsored students

4.1 If a student's fees are paid by a company or government agency, we require a financial guarantee from the company/agency stating exactly what fees will be paid. Students will be responsible for paying any fees not covered by the financial guarantee. Students will not be permitted to start the course until St Andrews has received a financial guarantee.

5 Payment

5.1 Fees are payable termly in advance of the published dates. In some cases, fees for the whole course are payable in advance to obtain a visa.

5.2 If a student wishes to cancel a course, one terms notice is required. Fees for that term will need to be paid.

5.3 If full fees have been paid and the student then wishes to cancel the course one terms notice is required. For example, if the autumn term has started then the terms notice would be the spring term and the student would receive the summer term fees only.

5.4 Pro-forma invoices may be issued for the cost of the whole course. However, the value of the pro-forma invoice may not cover all fees because extra costs may be incurred, such as vacation accommodation, IELTS exams or for social activities. Therefore, the pro-forma for the year may not be the final invoice that is issued.

5.5 A security deposit of £350 is payable. This is refundable (less any unpaid fees and loss or damage to school property) at the end of the course. For A-Level students this will be at least 3 months after the course because there may be additional costs due to exam re-marks or postage of exam certificates.

5.6 The student/ parent shall also be liable to pay all costs, fees, disbursements and charges including legal fees and costs reasonably incurred by St. Andrews in the recovery of any unpaid fees regardless of the value of the claim.

5.7 If the £2000 deposit has been paid to the college and the course is then cancelled the deposit is not refundable.

5.8 The £2000 deposit will be refunded if the visa application is refused unless the application has been refused due to missing/incorrect/fraudulent documentation or the visa application was completed by a third party outside the college.

5.9 If a student / parent cancels the course then one terms notice needs to be given and full payment for that term needs to be paid. For example, if a student is in the autumn term and wishes to cancel the spring term will be the notice period

6 Postponement

6.1 If you want to postpone your course, please do this in writing. You may be able to postpone your course to the next intake if you meet the entry requirements. You may not postpone a course if you have already been issued with a CAS. You may only postpone a course if there is space available on your chosen course dates.
