

ST. ANDREW'S COLLEGE Cambridge

St Andrew's College Celebrates Best-Ever Foundation Results: 98% of Students Accepted to First-Choice Universities.

St Andrew's College is proud to announce its highest-ever Foundation Programme results, marking a historic moment for our dedicated staff, ambitious students, and supportive community. This year, an outstanding **98% of our students have been placed at their first-choice universities**, a testament to their hard work and the exceptional academic environment at St Andrew's.

Our 2025 Foundation results speak for themselves:

- **Pass+**: 98%
- **Merit+**: 84%
- **Distinction+**: 76%
- **Distinction with Honours (DwH)**: 29%

These achievements reflect not only the determination of our students but also the unwavering commitment of our teaching team. At St Andrew's, we are a small college with a big heart—where academic excellence meets personal care. Every lesson, every conversation, and every moment is driven by our mission to inspire young minds and build lasting futures.

We are incredibly proud of our students and staff. These results are a culmination of relentless effort, expert teaching, and a college culture built on belief, care, and high expectations. At St Andrew's, every student is seen, heard, and challenged. This year's success proves what's possible when that vision becomes reality. St Andrew's College isn't just a place of learning—it's a community that thrives on collaboration, strong relationships, and a global outlook. From rigorous academic lessons grounded by outstanding teaching and an enriching extracurricular experience, ensures every student grows in confidence, character, and competence.

As we celebrate this record-breaking year, we ask everyone in our community: *What have you done today to make you feel proud?* At St Andrew's, pride comes not only from results but from knowing we've helped shape futures worth celebrating.

Applications are welcomed for **September 2025**. Families and agents can access a virtual tour, speak with academic advisors, or attend one of our international admissions webinars.
