WELCOME TO BOARDING

St. Andrew’s College Cambridge has been offering both UK and international students the opportunity to study in central Cambridge for over 45 years. St Andrew’s College is owned by the Dukes Education Group. What makes us different is we are a small school with dedicated staff who are committed to helping students to achieve success and have a successful future. Our administration team and many of our teachers have been working with St Andrew’s for more than 10 years (many longer!) and this means we all have the experience needed to help and support you in every aspect.

We offer quality residential accommodation for students, with 11 boarding houses in Cambridge. Students living in our boarding houses are looked after by a permanent member of staff who lives on site. The boarding team and support staff work very hard to ensure the best possible boarding experience for all our students and strive to create a homely environment. A home from home!

Whilst boarding at St Andrew’s you will have many opportunities to participate in activities and trips. We expect you to join in to get the most out of your time with us. Through engagement you will not only enhance your experience, but it will support your development both academically and personally. You will improve your English, build your confidence and learn new skills.

We would like to offer a warm welcome to St Andrews’s College and we look forward to getting to know you and supporting you as our newest members in this very special community.

STATEMENT OF BOARDING PRINCIPLES & PRACTICE

St.Andrew’s College Cambridge aims to provide a high standard of pastoral care through a well-established boarding system which aims to provide a warm, secure, friendly and family style environment for boarders.

The following aims are intended to ensure that boarders at St.Andrew’s College Cambridge are confident, open-minded people who can develop a strong sense of community in a multicultural setting. A proactive approach to life in the community is encouraged and sensitivity to others, leadership and independence are fostered. At St.Andrew’s College Cambridge we follow the National Minimum Boarding Standards.

PRINCIPLE 1 - TO PROVIDE A SAFE BOARDING ENVIRONMENT

St.Andrew’s College Cambridge recognises that it is of paramount importance for boarders to live and work in a safe environment.

PRACTICE:

- All staff are trained in safeguarding and Prevent and those who recruit have completed the ‘Safer Recruitment’ on-line training.
- Akeva, a Health and Safety Consultancy, carries out annual building risk assessments and supports the college on an ongoing basis.
- Systems are in place to ensure the boarding staff know the whereabouts of the boarders at all times.
- If a house parent has any concerns over a student’s physical or mental health, there are procedures in place to address this.

PRINCIPLE 2 -TO PROVIDE A FAMILY STYLE ENVIRONMENT

St. Andrew’s College Cambridge believes that each individual is best able to develop successfully within a happy family style environment. Each boarding house functions as a closely-knit family style unit.

PRACTICE:

- Boarders celebrate events such as birthdays, religious festivals and holidays and end-of-term parties in their houses.
- We encourage students to contact their parents regularly by telephone and electronic means.
- Student meetings are held to discuss relevant boarding issues.

PRINCIPLE 3 – TO ENCOURAGE STUDENTS TO DEVELOP BOTH ACADEMICALLY AND SOCIALLY AND TO LEAD A HEALTHY LIFESTYLE

- There are fixed study times so that students have allocated slots to focus on their work.
- We encourage students to take part in sports.
- We encourage students to take part in the school social programme so that they can get to know other students better.
- We encourage students to speak English so that they improve their language to the level required for university.
- We endeavour to provide healthy and nutritious meals and snacks.
- We encourage students to see the college counsellor if they feel they could benefit from her service.

All items will be subjected to a termly electronic Portable Appliance Testing (PAT) safety check and any item not tested will be confiscated. Please make sure you switch off all electronics when you leave your room. All electronic items need to be PAT tested before they can be used within boarding. Each tested item will be labelled with the date of the latest test and the initials of the tester. Any non-labelled items will be removed. Comprehensive guidance on PAT procedures is available on request from the Deputy Head (Boarding and Pastoral Care).

Room audits will occur termly and are there to ensure that the room is up to standard and to update any maintenance requirements. This will also be used to PAT test any new electronic equipment. Students will be informed a week in advance before any room audits.

Room inspections will only occur to check for any prohibited items and are only authorised by SMT or the Deputy Head (Boarding and Pastoral Care). HOUSEKEEPING

LAUNDRY

All students aged 16+ are responsible for their own laundry using the boarding house facilities managed on a rota basis. House Parents will be on hand to support students in the development of this key life skill and will ensure that all students manage appropriately. House Parents will provide greater support for all younger students teaching them and supporting their development in personal management.

DAMAGE & REPAIRS

We understand that accidents happen. If you cause damage, please report this at once to a member of the boarding staff. Students and any visitors must respect the college’s property and act appropriately to avoid damage e.g. no ball games, play fighting etc. Do not attempt to change light bulbs or repair electrical items yourself. Please report any necessary changes to house staff.

INSURANCE

You are expected to take out your own personal effects insurance policy.

KEEPING YOUR ROOM CLEAN AND TIDY

We recognise that being away from home and having to take responsibility for your own room and belongings may be a new challenge for many students. Our boarding team are there to support you in keeping your room clean and tidy. Your room will be cleaned weekly by our team of cleaners but you are expected to maintain a good level of tidiness so cleaners can access your room. Boarders must vacate their rooms for the time required (during the day) by cleaners in order to provide this service. Students who fail to keep their room tidy will be reminded by house parents and your room checked on a regular basis. This includes sustaining a high standard of hygiene and ensuring that all clothes and cooking equipment are regularly washed. Anyone failing to maintain reasonable standards of tidiness in rooms, may be charged for extra cleaning. This means we have had to ask the cleaning team to clean the room to get it back to the acceptable condition.

EXAMPLES OF ROOMS TO A GOOD STANDARD:

HOUSEKEEPING

FIRE DRILLS AND ALARMS

There will be several fire drills throughout each term and at least one will occur during sleeping hours. Whenever you hear the alarm, you must evacuate the building immediately by following the fire evacuation procedure which is pinned on all notice boards. Do not use any lifts during alarms. Failure to comply with fire drills and alarms may result in disciplinary action. In addition, there is a thorough fire safety induction for all new starters.

FIRE PREVENTION

You must never cover smoke alarms or remove batteries from them and must never tamper with other safety equipment such as fire extinguishers or fire blankets. This equipment has been installed for the safety of all students. Tampering with them is a serious breach of health & safety rules and anyone found doing so will be subject to disciplinary action and the cost of an engineer. You must not have candles, smoke in the premises or use forbidden or faulty electrical appliances. Any such items found in your room will be confiscated. All electronics should be turned off when you go to bed and when you leave your room.

SAFE KEEPING OF POSSESSIONS

Students are advised not to store considerable amounts of cash or highly valuable jewellery or electronic items in their rooms. Students have a responsibility to keep their own possessions safe by locking their rooms when they are not present and by locking any valuables safely in the safe provided for use in each room.

You must not enter the room of another student, remove items left in common areas or borrow property from other students without permission. These actions may be classified as theft, even if property was intended to be returned. Where theft is reported, staff reserve the right to search the rooms of other boarders for missing possessions.

NOISE

You must be considerate to others’ right to quiet and especially between the hours of 10.30pm and 7.00am. Students are expected to be in their boarding houses by 10.00pm and in their own rooms with lights out by 10.30pm. There are specific earlier curfews for younger students. Any music devices that cause a nuisance to other residents or our neighbours may be removed by boarding staff.

RULES REWARDS & SANCTIONS

RULES

A full list of the boarding rules is available and clearly displayed in the boarding houses. Below is an overview. Boarders must treat all members of the boarding community with respect.

Any form of discrimination or bullying is totally unacceptable whether on the basis of race, appearance, gender or sexual orientation. The college will take all allegations of bullying or discrimination very seriously and investigate thoroughly. Appropriate action will always be taken.

All members of staff related to the boarding house, including catering and cleaning services must be treated with respect. Any rudeness to staff may result in disciplinary action. Any physical harm caused to any other student may result in suspension or expulsion.

Male and female accommodation areas must be kept separate.

Male and female accommodation areas are single-gender only and access to a floor/building of the opposite sex is prohibited.

It is forbidden to store or use alcohol, illegal drugs and abuses of substances on boarding premises.

Students cannot store or consume alcohol on or off the school premises and should not return to the boarding house under the influence of alcohol. Students are also reminded that it is illegal in the UK for under 18s to buy or consume alcohol and that any illegal activities will result in disciplinary action including the potential for suspension and exclusion.

There are strict laws in the UK regarding illegal drugs. Any student found, or believed, to be under the influence of any drug that hasn’t been prescribed by a UK registered doctor (including so called legal highs) will be subject to disciplinary sanctions which may include expulsion and the police being notified. The colleges also reserve the right to drug test any student it suspects of drug misuse.

Any student in the company of a student taking an illegal substance who does not report the incident will be considered complicit in the act and will be subject to the same disciplinary sanctions.

Students should read the college policy on substance misuse.

Smoking is forbidden in all college/boarding premises.

You must not smoke anywhere within boarding. This relates to fire regulations and UK law on smoking. Students breaking this rule will be subject to college disciplinary action and may be billed for any damage or safety checks that are undertaken as a consequence of smoking. Members of staff have a duty of care to ensure that those under eighteen are not smoking and smoking materials will be confiscated from students if discovered to be in use by students. Vaping products are subject to the same rules as any other smoking paraphernalia and is forbidden in all college premises.

All health, safety and security procedures must be followed.

These have been put in place to protect you and others in the building. Any instructions or requests given by house parents regarding these matters must also be followed. Disciplinary action will be taken if you fail to do so.

RULES, REWARDS & SANCTIONS

REWARDS AND SANCTIONS

We want to support an active, inclusive and happy, family style community within the boarding houses. An excellent boarder is a student who is kind and thoughtful, showing care and respect to all others in the community. This includes smiling and greeting each other with warmth, ensuring that everyone feels included and everyone’s opinions are listened to. It means taking care of the physical building, garden and belongings. It means attending all house meetings and contributing to discussions, it means supporting activities put on by the house parents and volunteering to help.

Having a positive impact on the boarding and wider school community will be recognised and rewarded. Rewards may include celebratory emails home, positive behaviour points, an extension to privileges or celebratory treats!

Mental Health Support

The house parents, nurses, Deputy Head (Boarding and Pastoral Care), or any other member of staff are all available for you to talk to if you are feeling unhappy or facing difficulties. We can also arrange for you to speak confidentially to the school counsellor or you can make contact with the Independent Person. There is no problem too big or too small. We are here to help you and if you require additional services (GP, external counselling etc) then we will organize this with you.

INDEPENDENT PERSON

We have identified an independent person for you to contact if you wish to talk to someone who doesn't work with college or boarding. Marrion is experienced in this role and available to you to talk to in confidence.

Marrion Jemmet - 07966 205143

INDEPENDENT ORGANISATIONS

There are also other organisations which act as independent listeners. You can phone them for free and speak anonymously.

NSPCC	0800 800500
CHILDLINE	0800 1111
KOOTH <i>(An online counselling and emotional well-being plaGorm)</i>	www.kooth.com

FINANCIAL PROBLEMS

We do not advise students to lend money of any significant amount to one another. Boarders should speak to house parents or the Deputy Head (Boarding and Pastoral Care) if they are facing financial problems or contact the Citizen's Advice Bureau (www.citizensadvice.org.uk) if over 18 years of age.

KEEPING SAFE IN CAMDBRIDGE

For information about activities and things to do in Cambridge please go to Home - Visit Cambridge . When some students first think about studying abroad, one of the major concerns particularly in an urban environment, is about safety. Cambridge is, for the most part, a very safe city to live in. However, as with any other city, there are certain things you ought to know if you are to stay safe in Cambridge throughout your stay here.

- Plan a way home to the Boarding House**
Cambridge is a very simple city to navigate during the day, thanks to it being relatively small and excellent public transport.
- Stick together**
Ever heard the expression safety in numbers? Well it applies when you're out and about, too. Cambridge is not a dangerous city, but problems do occasionally occur, and you're far less likely to become a victim if you're in a group. Stick together, particularly at night, and let one another know once you are home safely.
- Keep valuables out of sight**
Just like any major city, pickpocketing can be a problem in central Cambridge, as can phone snatching. In order to keep your valuables safe, make sure that they always remain out of sight. Try to keep valuables in inner pockets. If you do have something valuable on you, try to not keep touching it to check if it's there.

STUDENTS

Each room has high speed broadband and good signal strength for mobiles to allow students to remain in contact with families. In emergencies, House parents may give permission to use the office or duty phone.

PARENTS

Parents are welcome to contact tutors via email during the working day. In addition, the duty mobile number can be called at evening weekends. House parents are also available in the evenings and weekends. In addition, there is the emergency number

ACADEMIC ISSUES

Should be raised with the college directly by contacting your Tutor.

HOLIDAY & END OF TERM ARRANGEMENTS

HALF TERMS

Your fees cover accommodation over enrichment weeks which are similar to most school’s half-terms. This is a good opportunity to find a work placement if possible. If you do not have a work observation placement, remember to apply for permission to leave if you intend to visit family or friends.

WINTER & EASTER HOLIDAYS

St Andrews is closed over Christmas and New Year as well as the Easter holidays. You are not allowed to stay in boarding over the Winter & Easter holiday and must return home or arrange alternative accommodation through your guardian. Days for closing and opening are on the school calendar and website. You must clear your room at the end of each term Christmas, Easter and Summer. It is your responsibility to arrange storage for your belongings during this time, but house parents will be able to support you with this.

HOLIDAY ARRANGEMENTS

You must always inform the house parents about your arrival/leaving arrangements via the school system. You will always need to provide all information about transport including flight numbers.

END OF ACADEMIC YEAR

All students need to completely vacate and clear their room at the end of the year. They need to leave it in a clean state or there may be an additional charge to clear their room. Those students returning in the next academic year need to vacate their room and will be allocated a new room on their return.

COMPLAINTS

The first step would be to make an informal complaint to your house parent, or Student Council member. If you have a boarding complaint, then you may always speak to your Senior House Parent Beth Valentine or Gill Robinson. If the issue does not get resolved or you wish to make a formal complaint then please contact the Helen Walker, Deputy Head (Boarding and Pastoral Care). You may also contact the Independent Person whose details are displayed in the boarding house.

If the complaint cannot be resolved, please see the St Andrew’s complaints policy which can be found on the website.
