Dukes Ski Festival

Introduction

This year, we are proud to introduce four exclusive enrichment packages—Gold 1 and 2, Platinum, and Diamond. Each tier offers unique and rewarding experiences. These packages are directly aligned with the prestigious Dukes Young Leaders Award, providing students with a structured pathway to achieving the corresponding award level when completed alongside the activities delivered in tutorial sessions and within the curriculum.

Learning extends far beyond the classroom. This stage of education is not only about academic achievement but also about broadening horizons, building independence, and preparing for life beyond St Andrew's College. The trips and activities in this brochure are designed to inspire curiosity, foster personal growth, and develop the skills that universities, employers, and the wider world truly value. Whether it's through cultural visits, outdoor challenges, career-focused experiences, or leadership opportunities, each activity offers a chance to learn in new environments, form lasting memories, and shape a well-rounded future.

In order for a student to attend a trip, they must be signed up for the enrichment package in which that trip is included. We cannot offer places on trips on an individual basis. Students will be able to upgrade the enrichment package they sign up for should they wish to.

Included in Fees

Curriculum Trips

As part of their studies, students will enjoy a variety of subject-specific trips—designed to bring learning to life—all fully covered within the tuition fees. Curriculum trips offer students the chance to deepen their understanding beyond the classroom, by experiencing real-world applications of their subjects. These enriching opportunities help to broaden perspectives, inspire curiosity, and bring academic learning to life in meaningful and memorable ways.

Evening Social Events

Our programme of evening social events is designed to offer students the chance to relax, connect with peers, and enjoy a positive and inclusive social life as part of their sixth form journey.

These events take place throughout the academic year and are carefully planned to provide a safe, supervised environment where students can enjoy time together outside of the classroom. The events vary in style and activity, catering to a wide range of interests.

Punting

Students will enjoy a guided punting tour along the historic River Cam. This serene and picturesque activity offers a unique view of the city's world-famous colleges and stunning architecture from the water. Led by experienced guides, the punting tour is a safe and relaxing way for students to learn about the rich history of Cambridge while enjoying the outdoors. It's an educational and memorable highlight that perfectly blends leisure with cultural discovery.

Paintball

Paintball is one of our most popular enrichment experiences, offering students an exciting day of teamwork, strategy, and friendly competition. Working together to complete a variety of challenges, students develop communication, problem-solving, and leadership skills in a fun and engaging outdoor environment.

Paintball encourages confidence, resilience, and collaboration while providing an unforgettable experience outside the classroom. With professional supervision and a focus on safety, students can enjoy the thrill of the activity while creating lasting memories with their peers.

Cambridge Universities Museum Tour

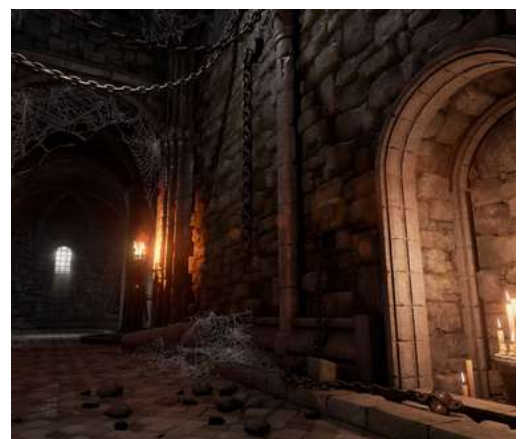

Students will visit the world-renowned Cambridge University Museums, such as the Fitzwilliam Museum, the Museum of Zoology, and the Museum of Archaeology and Anthropology. The trip is designed to spark curiosity, support cross-curricular learning as well as encouraging independent thinking and cultural engagement in a stimulating setting.

London Experience

Our London Experience day offers students the opportunity to explore some of the capital's most iconic attractions in one unforgettable trip. Taking in the sights from the London Eye, students can enjoy breathtaking panoramic views of the city's famous landmarks while gaining a greater appreciation of London's rich history and culture.

The adventure continues at SEA LIFE London, where students can discover an incredible variety of marine life from around the world and learn about ocean conservation. The day concludes with an immersive visit to The London Dungeon, bringing history to life through interactive shows, special effects, and engaging storytelling. Combining education, entertainment, and memorable experiences, this popular trip provides students with a unique and exciting day out in the heart of London.

Formula 1 Drive

Experience the excitement of motorsport with our F1 Drive London enrichment trip. This unique experience gives students the opportunity to get behind the wheel of cutting-edge electric karts on an official Formula 1-inspired track, combining speed, skill, and strategy in a safe and professionally managed environment.

More than just a thrilling day out, F1 Drive encourages focus, decision-making, and healthy competition as students test their driving abilities and work to achieve their best lap times. Whether they are passionate Formula 1 fans or simply looking for an exciting new challenge, this unforgettable experience is guaranteed to be a highlight of the school year.

Pixar Experience London

Step into the magical world of animation with our Pixar Experience London trip. Students will explore interactive exhibits, iconic film sets, and behind-the-scenes displays that bring beloved Pixar stories to life, offering a unique opportunity to learn about the art of storytelling, character design, and animation techniques.

This immersive experience encourages creativity, imagination, and inspiration, allowing students to engage with the world of film in a hands-on and educational way. Perfect for budding artists, storytellers, or any fan of Pixar, this trip combines fun, learning, and brilliant memories.

Bicester Village

Our Bicester Village Experience offers students an enjoyable day exploring one of the UK's most popular retail and leisure destinations. With a wide range of designer and high-street brands, students can enjoy a unique shopping experience while developing independence, decision-making skills, and confidence in a safe and supervised environment.

More than just a shopping trip, Bicester Village provides students with the opportunity to socialise with friends, manage a budget, and experience a vibrant destination that attracts visitors from around the world. Combining leisure, responsibility, and a memorable day out, this enrichment experience is always a popular choice.

Ice Skating

As part of our commitment to student wellbeing and community, we are pleased to offer an Ice Skating Social—a fun and relaxed evening designed to strengthen friendships and provide a well-earned break from academic studies. Whether experienced skaters or complete beginners, all students are encouraged to join in and enjoy the atmosphere.

Warwick Castle

Step back in time with our Warwick Castle Experience, where students can explore one of Britain's most impressive medieval castles and discover over 1,000 years of history. From magnificent towers and grand halls to interactive exhibits and live demonstrations, students will gain a fascinating insight into life in medieval England.

This engaging and educational trip brings history to life, encouraging students to learn through exploration and hands-on experiences. With spectacular surroundings, exciting attractions, and captivating storytelling, Warwick Castle offers a day filled with adventure, discovery, and fun.

Cambridge Colleges Tour

Students will have the opportunity to visit several historic colleges within the University of Cambridge. This trip is designed to inspire and inform, giving students a first-hand look at one of the world's leading universities. They will gain insight into university life, academic pathways, and the rich traditions of higher education. It's an excellent chance to raise aspirations and support students in thinking about their future goals in a supportive and engaging environment.

Escape Room

A unique team-based experience designed to encourage problem-solving, collaboration, and fun through mentally stimulating challenges.

Escape rooms are immersive, themed environments where teams work together to solve puzzles, crack codes, and complete challenges in order to "escape" within a set time. This event offers a perfect blend of entertainment and critical thinking, while also strengthening communication and teamwork skills.

London Theatre

London's West End is home to some of the most renowned theatrical productions in the world, and this trip allows students to experience the energy, creativity, and professionalism of live theatre in a world-class venue. Whether it's a classic play, a contemporary drama, or a critically acclaimed musical, the experience offers both educational value and personal enjoyment.

This trip enhances students' appreciation of the performing arts, it also supports wider personal development by encouraging critical thinking, cultural awareness, and independent reflection.

London Tour

Experience the best of the capital with our London Tour enrichment trip. Students will enjoy a scenic river cruise along the Thames, taking in some of London's most famous landmarks before heading to the London Eye for spectacular views across the city. Students with a Merlin Pass will also have the option to visit the exciting Shrek's Adventure! London experience, offering an interactive journey through the world of the much-loved films.

In the afternoon, students will have free time to explore central London and enjoy some shopping with friends. Combining sightseeing, entertainment, and independence, this popular trip provides the perfect opportunity to experience the vibrant atmosphere of one of the world's most iconic cities.

Thorpe Park

This exciting day out offers students the chance to enjoy one of the UK's leading theme parks with friends in a fun, relaxed, and supervised environment.

Located in Surrey, Thorpe Park is home to a wide range of world-class rides and attractions, including roller coasters, water rides, and immersive experiences. Whether students are thrill-seekers or prefer more laid-back entertainment, there's something for everyone to enjoy.

Legoland Windsor

Our LEGOLAND Windsor Experience offers sixth form students the opportunity to explore a world of creativity, innovation, and engineering through a range of immersive attractions and interactive exhibits. Beyond the rides, students can discover the design and construction behind some of LEGOLAND's most impressive creations, gaining an appreciation for the creativity, planning, and problem-solving involved in bringing large-scale projects to life.

This enjoyable day out provides a chance to relax with friends, experience unique attractions, and engage with inspiring displays that showcase imagination and technical skill. Combining entertainment with elements of design, engineering, and teamwork, LEGOLAND Windsor offers a refreshing and engaging enrichment experience outside the classroom.

May Ball

Our May Ball is a fantastic opportunity for students to celebrate the end of the academic year with friends. Featuring great food, music, and dancing, the evening provides a fun and relaxed atmosphere filled with laughter, entertainment, and lasting memories.

A much-anticipated event in the school calendar, the May Ball is the perfect way to mark the year's achievements and enjoy a memorable evening together.

Merlin Pass

The Merlin Annual Pass gives students the freedom to explore some of the UK's most popular attractions throughout the year. Each student is issued their own personal pass, allowing them to visit destinations such as theme parks, aquariums, and iconic visitor attractions whenever they wish, making it easy to plan trips that suit their interests and schedules.

Whether seeking thrills, discovering new places, or spending time with friends, the Merlin Pass offers flexibility, and variety. It's an ideal way for students to enjoy enriching experiences both in and beyond the classroom while having complete control over when and where they go.

Residential Weekend

We are proud to offer students the opportunity to take part in a residential activity weekend focused on developing key leadership, communication, and teamwork skills in a challenging and supportive environment.

Held at a dedicated outdoor education centre, this weekend experience is designed to push students beyond their comfort zones through a carefully planned programme of adventure-based learning and group challenges. The activities encourage collaboration, strategic thinking, and resilience—essential qualities for success both in college and beyond.

This residential trip plays a valuable role in preparing students for future academic, personal, and professional challenges. It helps build independence, strengthens peer relationships, and fosters a sense of responsibility and initiative.

Dukes International Ski Festival

This event will bring together students from across the Dukes family of schools, both from within the UK and across Europe.

The festival will include a series of ski races, with coaching and tuition available for both racers and any non-racers who would like to be involved. A prestigious Dukes International Ski Trophy will be awarded. There will also be awards for school teams and individual students competing at the event.

Alongside the racing programme, students who do not wish to compete will have the opportunity to participate in a full programme of ski or snowboarding instruction, guided training and recreational skiing/snowboarding, ensuring the event is accessible and enjoyable for all abilities.

Included in the price:

Return flights from the UK to Italy

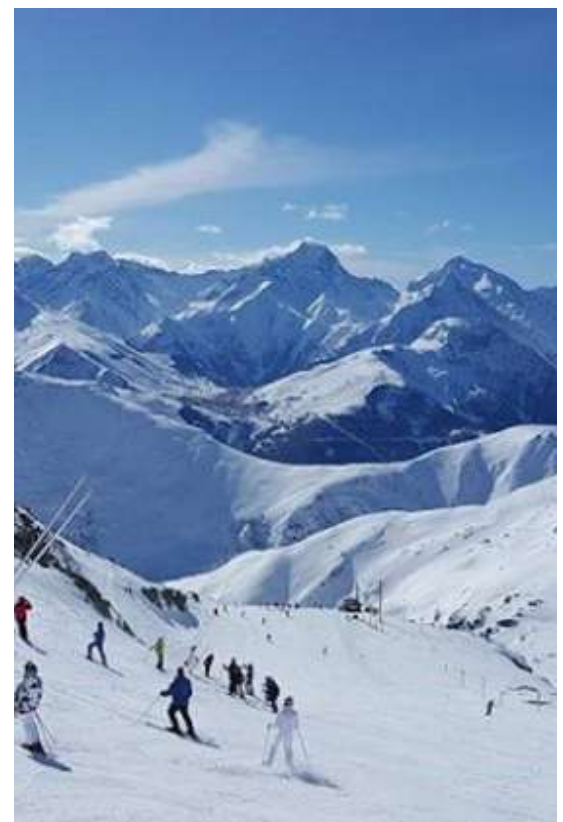

Coach transfers in Italy

6 nights full board accommodation (4* hotel)

5 days ski pass

5 days rental equipment

5 days instruction/training
